

ALL STONES HAVE  
HEARTS IN THEM

FAB SHOP

# FAB SHOP WHERE THE MAGIC HAPPENS

---

At KSG, technology and artistry unite to redefine precision. With MAXIMA 5-Axis CNC Centres, Waterjet systems, and CNC edge cutting machines, we achieve flawless detailing and unmatched accuracy. Integrated with CMS Brembana and powered by EasySTONE Premium CAD/CAM, every process is engineered for perfection — from design to finish. This seamless blend of innovation and craftsmanship transforms imagination into enduring stone masterpieces.

# CRAFTING TIMELESS SPACES WHERE DESIGN MEETS PRECISION.

Equipped with advanced machinery from Comandulli, CMS Brembana, and Pellegrini, and powered by skilled artisans, KSG delivers world-class excellence in shaping, polishing, edging, and finishing — where technology meets timeless craftsmanship.

From luxury interiors to landmark exteriors, KSG delivers craftsmanship that defines excellence.

Equipped with advanced machinery and skilled craftsmen, our fabrication units merge technology, artistry, and engineering mastery to deliver world-class finishes. Every edge, polish, and joint is engineered to perfection — built to perform, built to last.

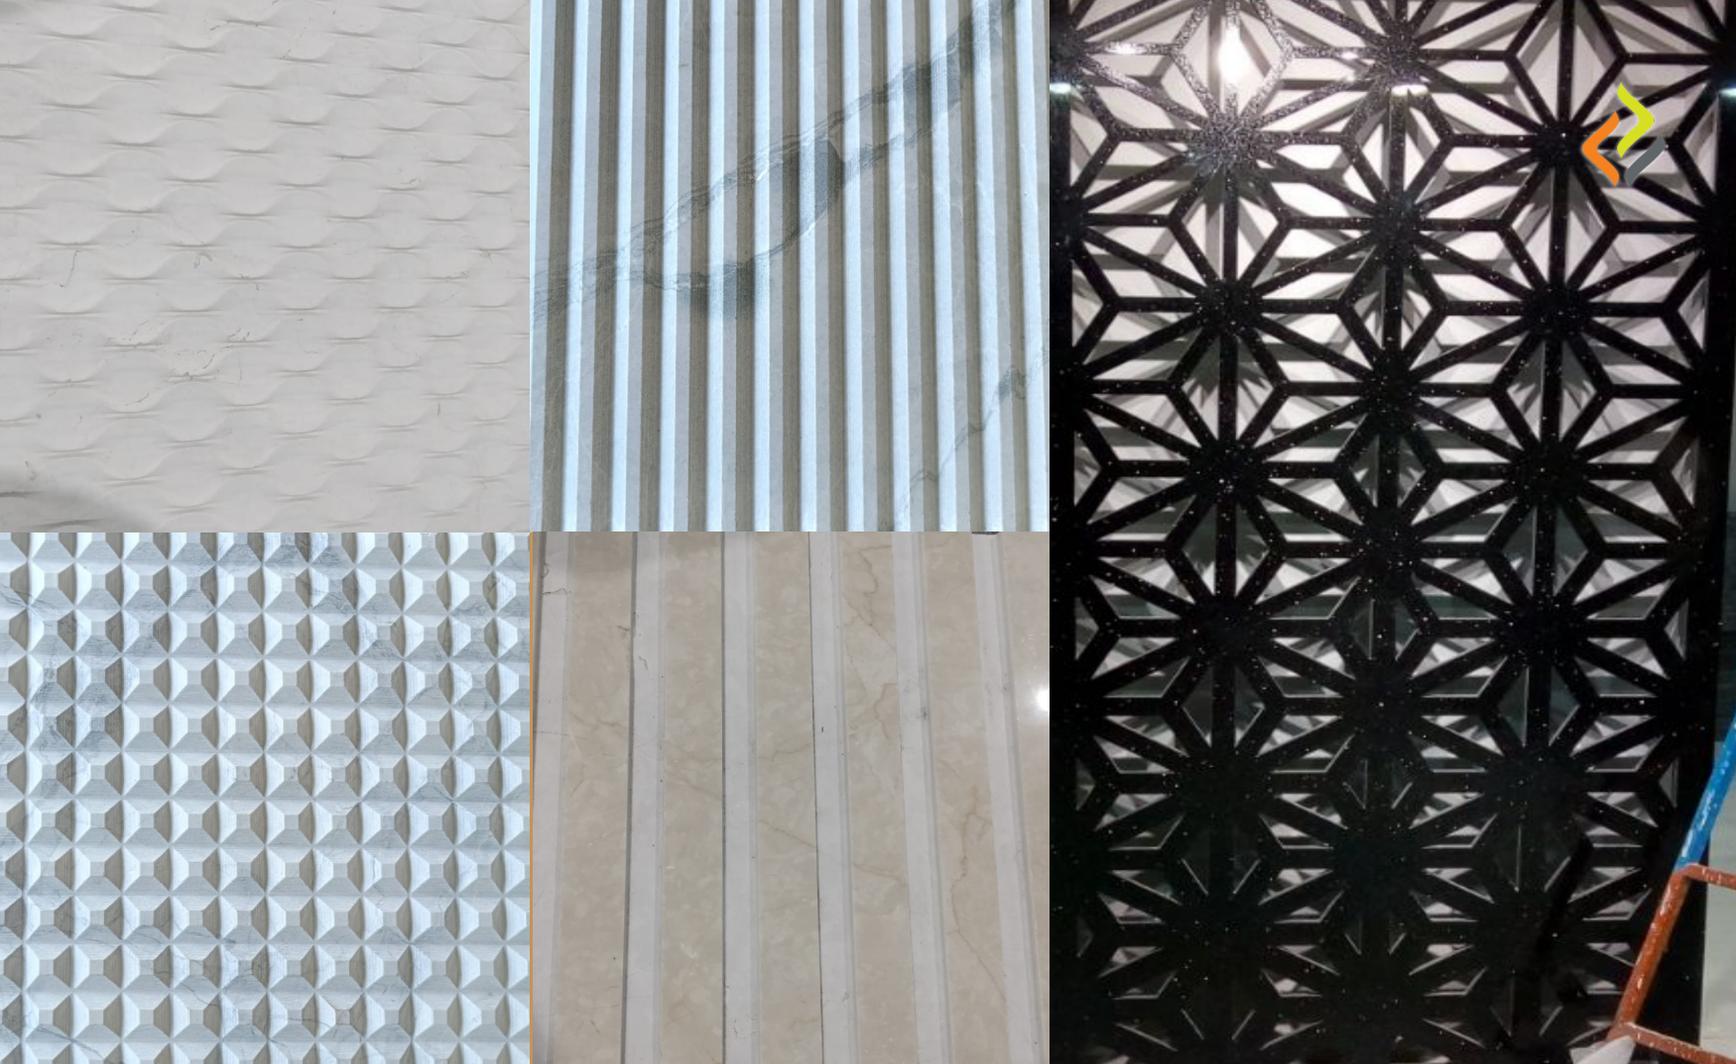

Redefining the art of stone fabrication, KSG Fab Shop stands as India's premier destination for large-scale projects, bespoke cut-to-size work, and intricate design creations. We blend innovation, artistry, and craftsmanship to deliver flawless perfection in every detail.

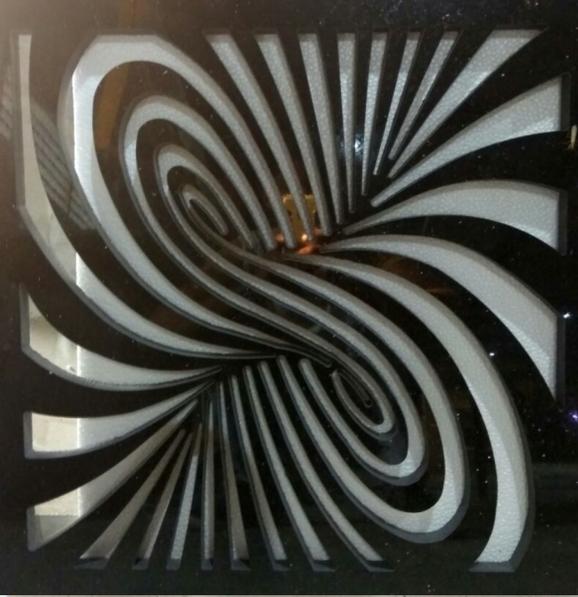

# BLENDING HERITAGE, TECHNOLOGY, AND DESIGN EXCELLENCE — THE KSG WAY
