QUARRIES

KSSG
KRISHNA SAI GROUP

FROM QUARRY TO YOUR MASTERPIECE

Our stones are sourced directly from KSG-owned quarries and refined in our factories using cutting-edge Italian equipment's, ensuring flawless accuracy, finish, and enduring quality.

KSG operates 8 quarries and 4 advanced factories, forming an integrated production network equipped with world-class technology and high-end machinery. Each facility is designed to ensure precision, consistency, and efficiency at every stage of production.

At KSG, we set exceptionally high benchmarks in processing, craftsmanship, and finishing. The focus is, however, on the export of rough block and finished products. With a workforce of over 1,200 employees, KSG also provides a full range of products in a variety of sizes -rough block, gangsaw, slabs, cutter slabs, tiles, cut-to-size and counter tops.
